Structure of EGF implementation in Germany

Transfer companies in Germany ...

- ... are chosen by the collective bargaining parties (company and works council)
- ... take over the laid-off workers with the sole purpose of qualification and re-employment
- ... are also responsible to implement the EGF measures when the criteria for funding are met and decision for funding is taken
- ... draw up and implement a concept for additional EGF measures tailored to the needs of workers in close cooperation with the Federal Employment Agency and the Federal Ministry of Labour and Social Affairs
